

For Immediate Release

Mistral Solutions among “Top 100 SMEs in INDIA”

Bangalore, Saturday, 6th May 2017 – Mistral Solutions Pvt. Ltd., a leading technology design and systems engineering company, was declared as **one of the TOP 100 SMEs in India** by the Indian SME Forum. The **India SME 100 award** was handed over to Mistral at a formal Ceremony on 6th May, 2017 at Eros Hotel, Nehru Place New Delhi. The 4th Edition of the Axis Bank presented India SME 100 Awards was awarded in the august presence of Shri. Kalraj Mishra, Hon'ble Minister of MSME, Govt. of India, Shri. Surendra Nath Tripathi, Addl. Secy and Development Commissioner Ministry of MSME, Govt of India and Smt. Shikha Sharma, MD & CEO, Axis Bank.

Mistral Solutions was chosen from over 40,000 nominations and was selected based on the score in the financial as well as non-financial parameters of the evaluation format. The Top 100 SMEs chosen by the Jury Board of the 4th Edition of India SME 100 Awards are awarded across categories of Growth, Financial Strength, Innovation, International Outlook, Corporate Governance and People capital.

“We are honored to receive this recognition from the Indian SME Forum and are proud of the immense development of this sector. This award validates our efforts in creating a mark in this industry with our focus on innovation in technology. We welcome the support of the India SME Forum and the policy interventions of our government, in furthering the growth of our organization and of the Indian MSME sector.”

Also attending the event were a number of senior dignitaries, policy makers from The Union Government, business leaders, experts, and key functionaries of the Indian venture capital & Finance Industries.
